

CUB SCOUT PACK 806 UNIFORM INSPECTION

NAME _____ SCORE _____

Scouts who score 90 points or more will receive a uniform inspection award certificate and a patch. Please note: Hats will not be part of this inspection.

_____ 1. Personal Grooming - maximum 20 points

- 20 Scout is perfectly clean and well groomed. Hair is combed, fingernails are trimmed and clean. Such a mensch.
- 15 Not bad, but could stand some improvement
- 10 Have some pride, for cryin' out loud, you are a Scout.
- 5 The bus for the zoo leaves in twenty minutes.

_____ 2. Shirt (excluding insignia) - maximum 20 points

- 20 Scout is wearing correct shirt. All buttons which are supposed to be buttoned, are buttoned. Shirt is clean, wrinkle-free and tucked in.
- 10 Alright, you own a Scout shirt, but it looks like you've been using it as a soccer ball.
- 5 It's not a Scout shirt, but I'll give you credit for not coming naked.
- 0 The bus for the zoo leaves in fifteen minutes.

_____ 3. Pants or Shorts - maximum 20 points

- 20 Scout is wearing official uniform long pants or shorts. They are clean, wrinkle free, and within reason, still fit you.
- 15 Good pants, but you forgot your belt.
- 10 Either you don't have the correct pants or the ones you do have are doing a "Pigpen" impression.
- 5 Ok, I'm a softie. Anything so long as it keeps you warm.
- 0 Don't worry, I'll pay for the bus ticket.

_____ 4. Shoes and Socks - maximum 10 points

- 10 Scout is wearing appropriate shoes. This usually means tennis shoes or regular shoes at den and pack meetings. Socks with long pants must be dark brown, dark blue or black socks. (The key word here is dark). If you wear Scout shorts, you must also wear Scout socks.
- 5 Inappropriate shoes and/or socks. Come on, you know that cowboy boots and white socks don't go with Scout shorts. What with all the junk you find on the ground today, at least you had enough sense to wear something on your feet.
- 0 Sounds like you'll make a nice Neanderthal display.

_____ **5. Neckerchief - maximum 10 points**

- 10 Scout is wearing correct neckerchief correctly. The neckerchief is rolled neatly and is clean and wrinkle-free. The neckerchief slide is official BSA, or one of the Scout's own making.
- 5 Looks like you've had your neckerchief in your pocket holding a rock collection since last month.
- 0 Even prehistoric Scouts had a neckerchief.

_____ **6. Insignia - maximum 20 points**

- 20 Every required and optional patch is worn within 1/2 inch of its correct location. Patches are sewn securely. Deduct 1 point for each patch which is missing or worn incorrectly.

Required patches:

- ___ Sam Houston Area Council Strip - left sleeve
- ___ 806 - left sleeve
- ___ U.S. Flag - right sleeve
- ___ Correct badge(s) of rank- left pocket

Optional patches/pins:

- ___ Silver and Gold arrow points - left pocket
- ___ Optional activity patch - right pocket
- ___ Service stars - above left pocket
- ___ Religious awards
- ___ Cub activity awards
- ___ Belt Loops
- ___ Red Vest

- 10 Not so good. Your badges need some work.
- 5 At least that "Boy Scouts of America" strip the shirt came with is still on. Borrow a needle and thread?
- 0 Shirt has absolutely no identification relating to Scouts. Are you sure you're in the right room? (Badges? We don't need no stinking badges!)
